## Documentation for Term Sheet

Use this guide to save time, close more deals and give your client's loan the best chance for approval. A well-organized loan summary should include the following essential information:

**Executive Summary** A concise, but thorough, overview that includes:

- **Property Address**
- **Description of Property** & its Estimated or Appraised Value, Square Footage, Number of Units.
- **Legal Owner** of the Property.
- **Loan Amount & Use of Funds** – Debt owed/Liens on the property/Cash out?
- **Date of Purchase & Price** – How much cash has the borrower invested including improvements?
- **Debt Service** – How will the borrower make monthly loan payments? Will it produce income or is an interest reserve needed?
- **Loan Term Requested** – Avatar bridge loans are typically interest only payments over the loan term of 1 to 3 years.
- **Exit Strategy** – Refinancing? Selling?
- **The Story** – Is this a purchase or refinance? What 'skeletons in the closet' or 'bumps in the road' does Avatar need to know about in order to provide you with a quick, reliable answer?

**Color Photos of the Property and/or Appraisal** At least three shots each of interior, exterior and the neighborhood. Avatar does not require a current appraisal to review the loan, but the most recent appraisal will be helpful.

**Operating Income (P & L)** Most recent 2 years on the subject property; summary of lease agreements and rent roll. If owner occupied, provide operating statement from the business.

**1003 Loan Application or Personal Financial Statement** on the Borrower/ Guarantor. Include approximate credit score.

Upon receipt of the above items, Avatar can issue a Letter of Intent/Term Sheet within 24 hours. Email your submissions to [LoanRequest@avatarfinancial.com](mailto:LoanRequest@avatarfinancial.com).
